

## Employee of the Quarter – 4<sup>th</sup> Quarter 2009

**Lisa Sabatini, Behaviorist**

Lisa Sabatini's dedication to our clients is truly exemplary. She spends an inordinate amount of time working with staff and managers to create positive outcomes for residents. Lisa is always willing to take on any job responsibility for the benefit of the residents and the organization. She has been assisting with the behavioral oversight of the day program, while carrying her full caseload of residential clients. Additionally, when a day behaviorist was hired she took on the task of

assisting with her training and being a mentor for her. I admire most about Lisa is her patient, down to earth approach which staff and residents respond to exceedingly well.
