At the September CCARC Foundation Board of Directors meeting, Michael Carrier, Chair of the $2 million 50th Anniversary Planned Giving Campaign “To Make Dreams Happen, Yesterday, Today, and Forever,” and Foundation President Ernestine Yuille Weaver led a discussion of the important leadership role of Foundation board members. The Foundation board members were invited to share their reasons for support of CCARC and the campaign. Their enthusiastic and wholehearted commitment to CCARC and its service to people with disabilities was moving and inspiring. We hope the campaign will allow all of CCARC’s friends an opportunity to reflect on the meaning of the CCARC mission and the role each of us can play in supporting it.

Please remember the Foundation accepts gifts in many forms, including cash, stocks, as beneficiaries of insurance policies and real estate, among others. We have also established a designated fund for the CCARC Foundation at the Community Foundation of Greater New Britain (CFGNB). For more information please call Anne Ruwet at CCARC (860) 229-6665 or Ann Bova at the CFGNB at (860) 229-6018 x 302.

THE 42nd ANNUAL GOLF OPEN

CCARC, Inc. held its 42nd Annual Golf Open at Timberline Golf Course on September 12, 2012. The golfers hit the greens with lots of sunshine and good spirits. The winning teams for the day were the Zaniewski Team with Lucas Rosado, Efrain Rosado, Chris Urbanski, and Alan Zaniewski winning the first place low gross with a score of 56 and the CWPM Team with Tom Huff, Rob Huff, Christie Matteo, and John Kulik winning the first place low net with a score of 50. The prestigious ‘Should’ve Gone Fishing’ award was presented to Gary Sweetman, who was one of the eighteen lucky golfers who lost their ball in the pond at Hole 12.

The day was a great success not only for the golfers but for CCARC as well. The CCARC Golf Committee, with the leadership of the Chairman John Barbieri, raised more than $62,000 from this event! The success of this golf open is due to the dedicated group of volunteers, generous sponsors and donors, especially Tournament Sponsor Farmington Bank, and of course the group of enthusiastic golfers.

The day ended with a great dinner by Teresa’s Catering at the St. George Greek Hall in New Britain. There was excitement with the fabulous raffle that included items such as a scenic plane ride, a Kindle Fire, a set of irons, as well as an array of gift certificates ranging from restaurants to tattoos. Helen Barbieri with Golf Chairman John Barbieri.

Calling All CCARC Historians!

In celebration of our 60th Anniversary, CCARC is inviting all families and friends to contribute your memories of CCARC over the course of its history. We are looking for any information you can provide: it could be a few sentences about your role in helping CCARC become established, a recollection of a CCARC event, or a story about your family’s involvement in CCARC. Pictures are always welcome!

Our goal is to enhance the “living” timeline presented at our 60th Annual Meeting and make it available to everyone on our website. You can provide your information in the way that makes you most comfortable.

If you would like to write or type out your stories, simply include the date they occurred, and mail them to CCARC, or e-mail them to nhills@ccarc.com. If you would prefer to tell your story and have someone else write it, we will arrange for someone to meet with you.

We hope to receive many submissions. The web-based format will give us lots of flexibility for including information, so please do not hesitate to participate.

— We look forward to hearing from you.

Day of Caring

On September 20, 2012, CCARC was fortunate to have forty volunteers from United Healthcare who participated in CCARC’s United Way Day of Caring.

A group of the volunteers went to the Birchwood Drive home to scrape wallpaper, paint rooms and stain the deck. Another group worked at the Rocky Hill Avenue home to stain the deck. The main building on Slater Road was privileged to have another group of volunteers paint the ramp at the Carrier House with a nonskid paint, clean out the raised garden beds and plant mums, and prepare lunch for our individuals and staff.

The work that the United Healthcare Day of Caring volunteers have completed is an incredible gift to CCARC, especially since there are limited funds for these types of projects. Thank you to the United Way for choosing CCARC’s projects and to all the volunteers from United Healthcare who spent their day improving the lives of people with disabilities.

We look forward to next year’s Day of Caring!
